Councilmember Jerry Trumps was called upon to deliver the invocation and lead the Pledge of Allegiance.

EXECUTIVE/PRESIDENT’S REPORT

(TAPE 1)(SIDE A)(484) AGENDA ITEM NO. 3:

A. Bids recommended for award:

<u>ITEM</u>	<u>VENDOR</u>	<u>LUS ITEM</u>	<u>COUNCIL APPROVAL NEEDED</u>	<u>LOW RESPONSIVE BID</u>	<u>ESTIMATED CONTRACT AMOUNT</u>
Servicing of Fire Extinguishers LCG Wide	Ferrara Fire Apparatus	No	Yes	Yes	\$21,184.08

Jody Williamson, Purchasing Manager, explained that, up front, Purchasing does not know how many fire extinguishers will need service or which accounts will be charged, therefore it requires Council approval. He also explained that upon meeting with Public Works it was determined that the bid of \$21,184.08 plus \$100 per trip charge would be less that the second bid of \$43,213.00.

Broussard argued that he had not experienced a bid where something was allowed to have a unit price and then throw in a trip charge (if it’s not on the bid). Williamson stated that this item can be re-bid by law; however, there were only two (2) bidders and the \$100 trip charge will be factored into the bid or they may not respond at all. Also the second lowest bid would have to be examined and rejected before all bids would be rejected and a re-bid proposed.

A motion was offered by Broussard, seconded by Stevenson to reject the bid. Williamson advised that all bids can not be rejected until grounds are found to reject the second low. Broussard withdrew his motion.

Williamson reiterated that that upon meeting with Public Works (the Facilities Maintenance Manager) it was determined that the bid of \$21,184.08 plus \$100 per trip charge would be less than the second bid of \$43,213.00. Broussard stated that going back to the invoices from the last contract would have given him a better conclusion.

A motion was offered by Trumps, seconded by Broussard to reject the bid based on the fact that the trip charge was not inclusive in the bid, and the vote was as follows:

YEAS: Badeaux, Benjamin, Broussard, Trumps, Mouton, Stevenson

NAYS: Castille, Menard

ABSENT: None

RECUSED: Williams

Motion was unanimously approved.

- B. President Comeaux then presented the “Woman of Excellence” award to the following LCG employees: Becky Lalumia, Associate CAO/Finance & Management; Brenda Andrus, Wastewater Collection Operation; Gail Smith, Library Director; and Barbara Shedd, Bookmobile Driver.

He then introduced Lou Anna Angelle, President of the Commission on the Needs of Women. Other members of the Commission present were: Libby Angelle, Marguerite Aguillard, Tawana Benoit, Linda Boudreaux, Rose Cormier, Jo Ellen Cross, Betty Delafosse, Lynn Franciso, Naquita Glenn, Linda Miller, Angela Morrison, Gail Nelson, Genevieve Porter, Mary Reagan, Kathleen Sparrow, Kathy Yates, Sandra Moore.

(TAPE 1)(SIDE B)(237) AGENDA ITEM NO. 5: COUNCIL ANNOUNCEMENTS

RESOLUTIONS

(TAPE 1)(SIDE B)(258) AGENDA ITEM NO. 6: R-071-2002 A resolution providing for the reviewing of the bids received for the purchase of (a) \$9,910,000 of Public Improvement Sales Tax Bonds, Series 2003A and (b) \$13,890,000 of Public Improvement Sales Tax Bonds, Series 2003B, of the City of Lafayette, State of Louisiana, approving the Official Notice of Bond Sale and Official Statement in connection therewith, and authorizing the Lafayette City-Parish President and the Clerk of the Council to sign copies thereof as evidence of the approval thereof and providing for other matters in connection therewith, motion to adopt by Menard, seconded by Stevenson, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: None

RECUSED: None

Motion was unanimously approved.

Bond Counsel Jerry Osborne was recognized. Osborne explained that bids for the issue were received electronically so once this resolution is approved, the bids will be reviewed. The bids are already calculated and available to the Council. The Series 2003A bonds will be used for

streets and bridges (\$9,910,000) and recreation. The 2003B bonds will be used for streets and bridges (\$10,290,000), drainage (\$3,400,000), and recreation (\$200,000). Lalumia added that this is the sale of the bonds for the projects that are already budgeted.

Osborne acknowledged that the bid of Salomon Smith Barney was the low bid on each of the bond issues.

(TAPE 1)(SIDE B)(389) AGENDA ITEM NO. 7: R-072-2002 A resolution of the Lafayette City-Parish Council approving the budget of revenues and expenditures of the Downtown Development Authority (DDA), the governing authority of the Lafayette Centre Development District (LCDD), motion to adopt by Castille, seconded by Menard, and the vote was as follows: YEAS: Badeaux, Castille, Williams, Benjamin, Broussard, Trumps, Mouton, Stevenson, Menard NAYS: None

ABSENT: None

RECUSED: None

Motion was unanimously approved.

Cathy Weber, DDA Director, explained that the \$62,400 budgeted for security is for multiple officers that work in different shifts. There is a 6-day, Monday thru Saturday officer on duty from 10:00 a.m. to 8:00 p.m. Weekend shifts are at night. On Friday and Saturday nights the clubs and entertainment venues pool their resources to put on a two-man bike patrol in addition to the DDA vehicle patrol. The “Developmental Seed Fund” is fund balance and is used as an enterprise fund, i.e., a particular piece of property that may go up for sale.

Trumps added an addendum that if any funds from this “Development Seed Fund” are used that it be reported to the Council as to what the funds were used for.

ORDINANCES FOR FINAL ADOPTION

(TAPE 1)(SIDE B)(478) AGENDA ITEM NO. 8: O-281-2002 An ordinance of the Lafayette City-Parish Council rescinding and repealing a portion of Ordinance No. O-093-2001, adopted by the Lafayette City-Parish Council on May 17, 2001, authorizing and directing the Lafayette City-Parish President, Walter S. Comeaux, to destroy six (6) surplus machine guns which are no longer needed for public purposes; and authorizing the Lafayette City-Parish Consolidated Government to sell six (6) surplus guns to Clyde Armory for a credit price of (\$35.00) in trade toward the purchase of five (5) new Bushmaster Mcwazf-11.5 (3rb) .223 caliber rifles for the Lafayette Police Department, motion to adopt as amended (amendment being to add a new Section 3 to read as follows: *SECTION 3: That Request for Bids be sent out on the Thompson Machine gun, .45 caliber (S/N S409044), to all legal buyers inclusive, but not limited to Class A Arms Dealers. The Request for Bids will be dependent upon any conditions set at the time the gun was donated to the Lafayette Police Department. The funds will be placed in the Lafayette Police Department account*) by Menard, seconded by Mouton.

Chief Boudreaux stated that this was prior to his employment by LCG. He was not aware of the 2001 ordinance until this situation came up as of late. If this ordinance is not approved the guns will be destroyed. He did explain that these guns are being traded for six (6) additional guns plus \$35.00. Guns can not be sold to an individual. They have to be sold to another law enforcement agency through a dealership. Clyde Armory is a dealership out of Athens, GA.

Castille suggested that LCG to go out on RFPs on the Thompson Automatic to all Class A dealers provided no restrictions have been placed on this weapon by a donor. Broussard interjected that he felt the intent of Castille’s motion was covered in O-093-2001. Dupuis opined that if the ordinance on the table is defeated, the original ordinance is still in effect to destroy the 6 guns and the Thompson machine gun is excluded.

Menard questioned why these guns were labeled “surplus” in 2001 when, in fact, the guns were still needed by the SWAT Team. He also questioned why the LCG would want to destroy perfectly good guns which they can sell for \$6,235.00. He urged defeat of the motion and to undo what was done in 2001 or if the guns are going to be destroyed then replace them before they are destroyed.

An amendment was offered by Castille with the amendment being to add a new Section 3 to read as follows: *SECTION 3: That Request for Bids be sent out on the Thompson Machine gun, .45 caliber (S/N S409044), to all legal buyers inclusive, but not limited to Class A Arms Dealers. The Request for Bids will be dependent upon any conditions set at the time the gun was donated*

to the Lafayette Police Department. The funds will be placed in the Lafayette Police Department account. The maker and second agreed.

The Chair requested that once the Thompson is sold that the information on who purchased it and for how much be made public.

The Chair then called for the vote on the motion as amended, and the vote was as follows:

Breaux explained that these employees received the November 1, 2002 pay increase of 3%; however, state funds were cut and positions were cut at that time so the responsibilities were divided among the three (3) remaining employees. Not knowing what the funding from the state will be next year he agreed to a 3% above the City's pay increase. Also, a Psyche Aid will be added back. He further stated that these increases will put these employees right below the state average on these positions.
